A KEY COLLABORATOR FOR YOUR PROJECTS

HOW CAN I HELP YOU?

★MOVIE

★TV

★COMMERCIAL

As you know, **makeup/hair are very important** for the quality of a movie, commercial, photo shoot. My skills & experience are at your service: I will collaborate with you, ensuring you get the looks you want according to the script and the characters, for believable and natural visuals.

- ~ As a makeup designer, **I can create special makeup/looks according to your vision and budget.**
- ~ My experience in natural, beauty, special effects makeup & light hair styling permit me to **see the overall looks, the chronology and provide the services needed.**
- ~ The **makeup/hair continuity** of your project is also one of my main focus, as the **hygiene measures.**
- ~ Work on the screenplay in **collaboration** with the Director of the Film, Art Director and Costume designer,
- ~ **Makeup concept and design,**
- ~ Provide **various option and technique of makeup** and special effects.
- ~ **During the film:** do makeup, (and light hair styling if needed), special effects and touch-up, attentive to the makeup/hair continuity, supervise Makeup Assistants.
